

## History

Charitta Smith founded Young achievers Christian Academy in the summer of 2003 with the goal and vision in mind to educate children grades pre-K through sixth grade. The Academy provides academic and biblical instructions to all of its students. The school is operated under the leadership of Ms. Charitta Smith, school Director and teacher.

## Focus

Young achievers Christian Academy has a goal to provide all of its students with a well rounded education and all required subjects as required by the state of Oklahoma within a Christian atmosphere. We know all children can learn learned if education is taught and distilled in a child.

We like to maintain a close personal relationship with our students and their parents. We believe that parental participation in a child's education encourages the child to strive for only the best.
